

For immediate release.

Mag One Products: Corporate and Management Appointments

VANCOUVER, BRITISH COLUMBIA, CANADA/10 February 2017. **MAG ONE PRODUCTS INC.** (“Mag One” or (the “Company”) is pleased to announce:

1. The appointment of **Ms. Gillian Holcroft, B.Eng., M.Eng.**, as President and a Director of Mag One Products Inc. (Mr. Skalbania, Chairman of Mag One will, in the interim, assume the duties of CEO.) Ms. Holcroft remains the President and CEO of the Company’s wholly-owned subsidiary, Mag One Operations Inc. in Quebec.

Ms. Holcroft has both a Bachelor and a Masters Degree in Chemical Engineering from McGill University in Montreal, Quebec. She is bilingual, lives in Montreal and brought to the Company, invaluable and extensive experience in the Magnesium (“Mg”) field in her previous position with Noranda. Ms. Holcroft has been serving as President of the Company’s wholly-owned subsidiary, Mag One Operations Inc. since June 2015. She was instrumental in securing financial assistance for the Company and is coordinating the initial Pilot Plant’s scientific and technical team in Tennessee, headed by Dr. James Blencoe, and the other project collaborators such as the Université de Sherbrooke and SNC-Lavalin.

2. Mag One also wishes to announce the appointment of **Dr. Yu-Mei Han**, (Bachelor, Masters and Ph.D. in Metallurgical Engineering), to the Company’s team of consulting scientists in Quebec.

Ms. Han is an extremely skilled engineer and metallurgist, with impressive experience in process engineering, project management, research and technical development as well as working in Aluminum and Lithium projects. Her three languages of English, French and Chinese are a bonus for Mag One and Dr. Han is a key addition to Ms. Holcroft’s team.

3. The Company has relocated its registered and records office from the Surrey address to the Vancouver office: #145 925 Georgia St West, Vancouver, B.C. V6C3L2 effective today.

4. The resignation of **Mr. Lucky Janda** as President and CEO of the Company and Director of Mag One Operations Inc., (“MOOI”), (the Company’s wholly-owned operating subsidiary in Quebec) and as Director of MagOne Operations Inc. of TN, USA.

Over the past three years, Mr. Janda has seen the Company from its inception and has been extremely helpful in directing and financing the Company. Mr. Janda has decided to leave the Company to pursue his many

other interests and the Company wishes to thank him for his sincere commitment and resolute belief in the Company and its potential, as well as his extraordinary assistance in many corporate matters and wish him much success in all his future endeavours.

Mag One Products Inc. is a technology, processing and production company, that aims to be the diamond standard in the Magnesium (Mg) market by concentrating on three initial projects: I. Magnesium-based structural insulated sheathing panels; II. production of MgO, Mg(OH)₂ and other saleable co-products, byproducts and compounds; and III. production of 99.9% pure magnesium metal at the Company's tailings and manufacturing plant site in southern Quebec, Canada. Mag One's advantages are its proprietary patent(s) pending technology, modular processing plant expansion concept and the fact that it has secured many tonnes of already mined, ongrade tailings.

Signed: Nelson M. Skalbania,
Chairman.
